

FARMINGTON DISC GOLF

HOLE SPONSORSHIP OPPORTUNITIES

A “hike with a Frisbee” is how NC “Kids in Parks” describes disc golf and that is how we at Farmington Community Association, Inc. are promoting the Farmington Disc Golf Course which is scheduled to open by Fall of 2019. We are passionate about getting Davie County residents and visiting tourists outside and enjoying the beautiful area in which we live, while also engaging in healthy physical activities. Per the PDGA (Professional Disc Golf Association), “Disc golf provides upper and lower body conditioning, aerobic exercise, and promotes a combination of physical and mental abilities that allow very little risk of physical injury. Players of limited fitness levels can start slowly and gradually increase their level of play as fitness improves.” Farmington Disc Golf Course will be the only course open within 10 miles of our area, and only a handful are within 20 miles. Youth who are not inclined to participate in other traditional sports may very well find their niche in disc golf, and it is also a great sport for seniors to enjoy. Our Course has already been designed and laid out by Drew Smith, a professional course designer, mostly in the wooded area of our 60-acre Nature Park, and is in the process of being prepared for the equipment to be installed. In addition to the 18-hole course, there are two ADA-compliant holes for our specially-abled and disabled patrons to enjoy. The Course will also be “free-to-play” so cost will not prohibit anyone from enjoying the benefits of Disc Golf.

To make this Course a reality and open during 2019, we need hole sponsors to join us in providing this exciting, new, free-to-play recreation facility in Davie County. Your contribution of \$1,000 will go towards purchasing and installing the equipment required for each hole and making a lasting impression on those who patronize the Farmington Disc Golf Course. All contributions are 100% tax deductible (within the IRS guidelines) as the Farmington Community Association is a 501(c)(3) organization. With your permanent hole sponsorship, you will receive signage at the tee pad of your choice (first come-first served) as well as recognition in any advertising for Farmington Disc Golf. As well as attracting local residents, we are planning to reach beyond our area to offer PDGA tournaments, league play, and youth camps.

To find out more about this opportunity to partner with Farmington Community Association and bring Farmington Disc Golf to our area, please contact Allyson Sawtelle at (336) 655-2700 or sawtelle@yadtel.net

Thank you for your consideration of making a lasting difference in your community for generations to come!
